

Osteogenesis Imperfecta (OI) Study

SURVEY RESEARCH WITH CAREGIVERS AND INDIVIDUALS WITH OI

Participation

- Are you 18 years or older and do you have OI?
- Are you the caregiver of someone aged 0-17 with OI?
- We are looking for individuals and caregivers of individuals with OI to participate in an online survey.
- Our goal is to learn about your experience with OI. No medications will be given as part of this study.

Compensation

Eligible study participants will be paid \$50 upon completion of surveys (or the equivalent amount in your country's currency).

Find out if you're eligible!

If you are interested in participating, or would like more information about this study, contact us using the following e-mail address and include "OI" in the subject line to see if you qualify:

OI@patientinterviews.com
